Forecast For East of England
Issued by Met Office Exeter
at 1600 on Thursday 30 Sep 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Unsettled, windy and wet at times.

This Evening and Tonight:
Remaining generally overcast with frequent showers continuing this evening and overnight, and these possibly merging into longer spells of rain at times. Winds remaining strong. Minimum temperature 13 deg C (55 deg F).

Friday:
Early rain should clear by midday but with a few showers following. Becoming largely dry and bright through the afternoon and evening with winds easing. Maximum temperature 17 deg C (63 deg F).

Outlook for Saturday to Monday:
An unsettled spell with heavy rain and strong winds likely through Saturday. Turning showery into Sunday and Monday, with strong winds easing into the start of the week.
